

The image is a screenshot of a webmail interface. On the left is a dark sidebar with navigation links: 'Mail' (with a dropdown arrow), 'COMPOSE', 'Inbox', 'Starred', 'Sent Mail', 'Drafts', 'Junk', and 'More' (with a dropdown arrow). Below these is a contact card for 'Sree Ram' with a profile picture and a 'Make a call' button. At the bottom of the sidebar, there is a section for mobile apps with the text 'Also try our mobile apps for Android and iOS' and icons for various devices. The main area of the interface shows an email titled 'cs5760 Topic selection' in the 'Inbox' (marked with an 'x'). The email is from 'Sree Ram Akula <sreerama@mtu.edu>' dated 'Jan 14 (13 days ago)'. The content of the email includes: 'to Robert', 'Name: SREE RAM AKULA', 'User Name: seerama', 'Topic Title: HRI Theory and evaluation', 'Topic Description: Human-robot interaction(HRI) is the study of interactions between humans and robots. HRI Theory and evaluation de: the evaluation of human-robot interaction and proposes the interactions and information needed by both humans and robot: different level of interactions. It also provides the evaluation methodology based on the situations.', and 'Application Preference List: 1. Dead Bird App, 2. Staff Gauge, 3. Pacaya Volcano Activity Monitor'. Below this email is a reply from 'Robert Pastel <pastel@mtu.edu>' dated 'Jan 15 (12 days ago)'. The reply content is: 'to me', 'Hello Sree,', 'The topic HRI Theory and evaluation is good for the course. I know the topic and there is lots of literature.', 'I'll email you soon the project you will be working on.', and 'Sincerely, Robert'. At the top of the interface, there is a notification bar that says 'Click here to enable desktop notifications for Michigan Technological University Mail. Learn more Hid'. The interface has a dark wood-grain background.
