4. Member expectations:

A team member is expected to:

- Attend every scheduled meeting unless discussed with the team first
- Contribute just as much to the project as other members
- Keep an active line of communication available in order to be notified quickly

5. Grounds for dismissal.

A team member may be considered for dismissal if they:

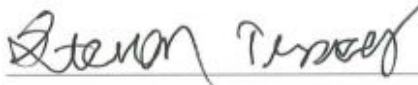

- Miss more than three meetings without any prior notice
- Consistently fail to complete assigned tasks
- Fail to communicate issues to the team

Technical Team Leader: John Booth
