Project Part 2
Personas

User

Name: David Morehome

Age: 34

Height: 5' 11"

Weight: 175 lbs

Left handed

Story

David was born in L'Anse, MI, but grew up in Iowa. He used to visit his grandfather in L'Anse every winter when he was younger. Recently, David's grandfather passed away and while sorting through his belongings David discovered several photos taken during his many visits to his grandfather. David would like a way to preserve the photos as well as share memories of his grandfather. David works as a nurse and is very comfortable with a computer.

User

Name: Anna Wesley

Age: 21

Height: 5' 2"

Weight: 116 lbs

Story

Anna is a history major at Thomas Aquinas College and is interested in studying the history of the Copper Country, specifically the lives of copper miners in the early 20th century. Anna is frustrated with the limited amount of first-hand information present on the internet, and being a college student in California, it is impractical for her to travel to the Keweenaw for research. Anna is a frequent user of social media, such as Facebook and Twitter.
