Application Design

Login Screen

The image shows a login screen for the ACL Risk Estimator application. At the top, there is a black header bar with the word "Login" in white. Below this, the application logo "ACL Risk Estimator" is centered. The logo consists of "ACL" in a large, bold, serif font, with "Risk Estimator" in a smaller, italicized serif font below it. Underneath the logo are two input fields: "Email" and "Password", each with a horizontal line below it. Below the input fields is a rectangular button with a thin border and the word "LOGIN" in bold, uppercase letters. Below the button is the text "Forget your password?". At the bottom of the screen, there is a link that says "Not a member? Register now". The entire login form is set against a light gray background, which is framed by black bars at the top and bottom.
