Number	Name	Frequency of Occurence	Location	Description				
1	George	a lot	RDP	If deleted, the waypoint shows as deleted, but the start/end wet spot button does not revert back to before the point was entered.				RDP=Recorded data page
2	Karl	a lot	RDP	Can't see recorded waypoints if app is exited and reloaded, but the data entry pick up with whatever way point number it left off on				HP=Home Page
3	Johnny	a lot	DEP	UTM-E should be in the form of 10S 123456, not 10S 1234567				TIP=Team Information Page
4	Steve	a lot	RDP	Doesnt display the start reach waypoint as waypoint #1 if there is water present				DEP=Data Entry Page
5	Josiah	a lot	HP	For the homepage, after starting the survey the first button should read new survey and the second button should allow for the user to click on a desired log to edit that info				HLP=Help Page
6	Gosepe	a lot	HLP	No more latin on help page please				TCP=Team Confirmation Page
7	Isaiah	1	RDP, DEP	Cannot add a waypoint between points				
8	Bob	1	RDP	Start/End Wet Spot not clear, causes confusion				
9	Billie Jean	1	DEP	Waypoint number not editable
