In-person in Library Room 114

Attendance:
       Codey Walker
       Michael Bandrowski
       Scott Xiong
       Micaiah Grossmann

Action Items:
       Questions for scientist(All of team)
- How does she want to download the CSV file?
- Does she have additional pictures of the coral types other than ones from the PPT slides?
- Is the profile mandatory for every user?
  - Especially those that may not use it again after they leave Australia
  - What was on your mind when you thought of the user having a profile?
- Are the information from the spawning app_3.pptx file correct?
  - Such as
    - Number of colonies as a drop down menu
    - Coral types
- How does a user know how many colonies they are looking at?
- What do you think of our design?

       Design changes(All of team)

Discussions:
       Decided what questions to ask the scientist and discussed changes for our walkthrough.
       Developed Design Change document and uploaded files to team website.

Next Steps:
       Waiting on team meeting with scientist on Thursday March 1st, 2018 at 5pm. (9am Friday her time)
