Agenda with Scientist(All of team)

- How does she want to download the CSV file?
 - **She doesn't mind how we do it.**
 - **Further discussion needs to be done**
- Does she have additional pictures of the coral types other than ones from the PPT slides?
 - **Natalie will email us with more photos in PNG file.**
- Is the profile mandatory for every user?
 - What was on your mind when you thought of the user having a profile?
 - **Don't need to create profile, whatever the team see fit**
 - **Just need contact info for newsletter, if the users wants to be on the newsletter.**
- Are the information from the spawning app_3.pptx file correct?
 - Such as
 - Number of colonies as a drop down menu
 - Coral types
 - **Will email us with more information on Monday.**
- How does a user know how many colonies they are looking at?
 - **One colony == One coral**
- What do you think of our design?
 - **Looks good says Natalie**
- Gallery Page
 - **Change to Album style**
 - **A album == a submission from a user**
 - **Irrelevant to have a sort button now?**
