

## Feedback on video

### Challenges:

- only one meeting
- Focus on STORIES

### Story Functionality

- Construct query tool
- Scaling dots with distance
- Visualization of results window
- Keywords like house, birthday, tags
- filter stories with media like videos/pictures/audio
- symbols for tags on map + resize to see them all

ArcGIS "feature reduction"

Accessibility with tablets and people who are unfamiliar w/ technical know-how

Filtering stories by year
