

## Stakeholders and Users: Onion Model

**Kit:** Search Query for Keweenaw Time Traveler's website.

**System:** Scientists, local residents, tourists, and the general public will all use the site.

- *Scientists* are studying the history of the Keweenaw area and are using this site as a resource and tool for research purposes. These users may also want to contribute to the data.
- *Local residents* are interested in learning more about the history of the Keweenaw area. These users may also want to contribute to the stories and data.
- *Tourists* visiting the Keweenaw area and are interested in learning more about the area and the history around the area.
- *General public users* do not live in the Keweenaw area but are interested in learning more about the history of this area. These users may have people related to them who lived in the Keweenaw area before. These users may also contribute to the stories and data.

**Containing System:** Scientists, historians, politicians, writers, researchers, family members of local residents, local residents, and the general public will either add information to the website or use the information for other purposes, such as writing books about the area or making public policies.

**Tertiary Stakeholders:** The KETT scientists, the developers, and CS4760, HU4628 and CS5760 students and professors.
