

Never states only one facilitator

Clearer info to send to the team

"To the rest of the team?"

instructions for consolidating reasons unclear  
better facilitator instructions  
Delete for facilitator only  
Solutions: explain better  
timer reminders/facilitator explanations  
more prominent  
list of how to ask people  
for reasons  
more clear what should  
be read to team & what is  
for facilitator  
POP UP (with instructions?)

---

not sure where to start specifically  
some indication of people in  
the premorteam

Not clear who is entering names  
Let people know to communicate  
outside of app

not clear if person should discuss  
or if everyone should start  
when they read it

may be not show team instructions  
so facilitator can better set the pace  
people don't understand how to incorporate  
members of the team well

are we putting too much on the facilitator  
in these usability testing? Should users  
try to act like new users better?

Doesn't auto clear  
pressing enter to submit

can't submit reasons?

Not clear how to send to team

"next top solution that nobody said"

better starting wording & info for facilitate  
time not easily visible

Some way to see if people are responding  
definitely showing up during consolidate

better description for consolidations

revamp voting system / better description / see

revise unclear

Back feature / are you sure?

small facilitator but not easily noticed
