

1/26/2021, 2pm to 3:30pm, 2nd Pre Interview Meeting, Zoom, Streamers.

Action:

Discuss second Interview, Create new pre interview questions
prep work

Decisions:

What questions are for us, and whats for the scientists.
lots of talk about security and such, login, accounts, filtering, metadata,
who can do what.
Discuss whos going to work the backend after we go. Will profs actually set
up their students and classes.
Login/security big issue
Thinking forward about what systems we will be using to both develop and
developing
discussed GPS and how it works

Attendance:

Present: All

Team: Zong, Emma, Mike, Jason, Luke

Next Step:

Prep for Class, second interview.
