

**Team:** BitBois

1/26/23: 4pm-4:15pm @ Zoom

**Attendance:**

Present:

Roger Lind

Tyler Budd

Josh Reynolds

Michael Zitta

Noah Reinke

Parker Kirwin

Absent:

Thanuja Maddali

Short meeting to discuss the team website and what graphing libraries we wanted to use.

We divided up the work for the Website:

Michael-set up css and make the basic structure

Roger-Link the files and put them in the right spots

The current front runner for the graphing library is [highcharts.js](https://www.highcharts.com/)
