

Scientist: Bill Siever

02/07/23 @ 4pm (est) via zoom

<https://michigantech.zoom.us/j/82862034859?pwd=YnB5cmh3TWpTSW9yOWI4emFuRW5ndz09>

Interview to go through cognitive walkthrough with scientist and get feedback on the current design

Organized by roles and have an agreement/understanding that any member may speak if they perceive that an important question has been missed.

Name	Role
Tyler Budd	Questioner - General
Parker Kirwin	Absent - due to conflict
Roger Lind	Questioner - General
Thanuja Maddali	Absent
Noah Reinke	Absent - due to Lab
Josh Reynolds	Presenter
Michael Zitta	Notes

Speak with the scientist about the current plan for the application, and discuss any changes that need to be made.

Go over how the library is handling bluetooth connection and how it will interact with the application.
