Final Design Changes
04/08/2021

- Add a report feature for invalid or inappropriate reviews with notification for admins.
  - If inappropriate reviews are on the platform they should be removed.
  - Stretch goal.
  - Suggested by Naveen.
- Add a feature to remove reviews (privileged user)
  - If inappropriate reviews are on the platform they should be removed.
- Add map to authenticated home page
  - Privileged users would find a map of problem locations useful.
- Change wording for danger report
  - Make the wording more clear for what the danger indicator is supposed to mean.
- Change to Likert scale (i.e. on a scale from 1 to 5 with 1 being bad and 5 being great)
  - Ensure that the rating system is intuitive and ratings are accurate.
- Real names of trails.
  - For accuracy of the final app.
