

**Team Name:** Family FEWd

**Date, time and duration** of the meeting: Saturday 2/19/22, 1:00pm-2:30pm

**Location or Media:** Discord, #team-2-voice

**Attendance:** Jenna Byron, Brandon Hosang, Ethan Fournier, Nicole Wiszowaty, and Yaqirah Rice

**Action Items:**

Install Unity: All members

Design Changes after Walkthrough: All members

Find item prices: All members

Create initial commit: Ethan, Nicole

**Discussions, Decisions and Rationale:**

Install Unity: Made sure we all had the same version of Unity installed. (2020.3.29f)

Design Changes After Walkthrough: Revised burndown chart, created design changes document.

Find item prices: Found the prices for each item, mostly on Walmart's website.

Create initial commit: Created initial commit using the gitignore Nicole provided.

**Next Steps:**

Discuss our plan for development.
