

**Team Name:** Family FEWd

**Date, time and duration** of the meeting: Saturday 4/16/22, 1:00pm-2:12pm

**Location or Media:** Discord, #team-2-voice

**Attendance:** Ethan Fournier, Yaqirah Rice, Jenna Byron, Nicole Wiszowaty, Brandon Hosang

**Action Items:**

- Discuss scientist feedback - All members
- Discuss setting up a meeting with the scientists - All members
- Added a label to track how many MyPlate categories are in the cart. - Brandon

**Discussions, Decisions and Rationale:**

- Discuss scientist feedback
  - Remove button not obvious:
    - Ask scientists to clarify on how they want the cart to look like visually
    - Add more to the tutorial to mention the remove button.
    - Add a checkbox to labels to reflect if an item from the category is in the cart.
    - Split categories with a vertical divider.
    - Jenna drafted and sent the response email.
- Discuss setting up a meeting with the scientists
  - Jenna emailed to ask the scientists if 4:30pm Monday works for them.
- Added a label to track how many MyPlate categories are in the cart
  - x/5 format, in lower left corner.

**Next Steps:**

- Meet with scientists next week.
